

# Rhapsody® Viola/Violin Rack

## specifications

### Classic Construction:

The unit is constructed using 1" thick particle board with double-sided thermal-fused laminate with matching 3mm PVC edge banding. Durable radius Lotz Armor Edge for instrument case storage and instrument necks.

3" heavy-duty locking casters. Casters are installed onsite by others.

### Assembly:

Racks are shipped knocked down.

Store, protect, and transport violas and violins safely with these mobile units. Smooth rolling design allows for easy transport through doorways from practice halls to rehearsal and performance areas.

**Premium Rhapsody® Viola/Violin Racks** are constructed the same as the Classic **EXCEPT** the Premium cabinet components are **double sided high pressure laminate (HPL)** in place of the double sided TFL.

**Shipping Class:** Density based class

**NMFC:** 80440

**Assembly:** Unassembled
