Tops

Laminate Top w/Lotz Armor Edge™ (Standard)
High pressure laminate (HPL) top and moisture preventative & gum resistant phenolic backer bonded to 1.125" thick medium density fiberboard (MDF) core. Total top thickness 1.25". Choice of WB standard HPL. Optional top surface choices include writable surface laminate (markerboard) and most Wilsonart matte (-60) finish laminates with possible up charges. Other vendors available upon request. (Check availability of non-standard colors, minimum order may apply.) Lotz™ Armor Edge is a WB exclusive polyurea that is extremely strong and durable. This edge will not separate from the MDF core and makes the edge completely water tight. 0.25" beveled radius edge. See catalog for color options.

Laminate Top w/3mm Edge Band (Optional)
The core material is 1.125" thick particle board with a phenolic backer sheet and high pressure laminate on top making the total thickness of the top at 1.25". 3mm PVC edge banding is applied to all edges, radius corners. Color matching unless otherwise specified. Complimentary colors available upon request. See catalog for color options. Optional top surface choices include writable surface laminate (markerboard) and most Wilsonart matte (-60) finish laminates with possible up charges. Other vendors available upon request. (Check availability of non-standard colors, minimum order may apply.)

Classic Construction

Overview
Classic cabinets (sides, back, bottom and sub-top/sub-bottom) are constructed using fully doweled 0.75" particle board with double sided thermal fused laminate (TFL) with matching 3mm PVC edge banding.*

Doors
Doors are 0.75" double sided TFL, matching 3mm PVC edge banding*, 4" satin nickel pulls and 6-point adjustable concealed hinges (European hinge). The trash door on the Nucleus has included Telescopic over extension ball bearing slides on double waste bin sorter/trash door and holds 2 x 38 waste bins.

Shelves
Shelves are double sided TFL, matching 3mm PVC edge banding* on front edge, adjustable shelves have four double-pin shelf clips per shelf to prevent the shelves from sliding out or tipping.

Base (Mobile)
Integrated, 1" caster base, matching 3mm PVC edge banding*, 3" heavy duty plate casters (two locking and four non-locking on the Nucleus; two locking and two non-locking on the Mini Nucleus). Casters are installed onsite by others.

Premium Construction

Overview
Premium cabinets are constructed the same as the Classic except the Premium cabinet components are double sided high pressure laminate (HPL) in place of the double sided TFL.

Features

Tote Trays
3" tote trays included ONLY on the Nucleus and translucent is standard. See catalog for additional optional colors. Totes can be interchanged with totes on desks and tables.

Additonal Options

	Adder Code	Description
Premium Lotz AE™ Colors		See Catalog for color options.
Markerboard Top	-__MB	Provided for the special needs of applications requiring a durable, gloss decorative surface that ensures easy erasure of dry erase markers. See Catalog for color selections.
Black Chemical Resistant Top	-09C	Available on Laminate Top w/Lotz™ Armor Edge and Laminate Top w/3mm Edge Band. Specifically designed for highly corrosive environments and is ideal for applications where harsh cleaning agents may be over-used and damage other decorative surfaces. Non-black chemical resistant top also available, call Estimating for details.
Locks (Per Location)		See Catalog for options.
Magnets	-2MA	Connecting magnets for HangOut Stools, 2 locations
Non-Standard Edge Band		See WB Finishes in Catalog for non-standard edge band colors.
Custom Design		Call Estimating
