Princeton Public Library

Princeton Public Library relied on WB Manufacturing to help create storage areas for all types of media that people need today. From storage for books and DVD's to Collaborative tables, Princeton Public Library is now a place where the community can go to access any information, while feeling invited into each part of the room. WB's Picnic In The Park laminate helps pull the entire room together, looking synonymous and classy.

For a list of WB products installed at Princeton Public Library, refer to the next page.

is customer focused with our step by step design process.

1) Design Support

Our design team will work with you to answer any questions you may have.

2) Initial Sketch
